

# BOOSTER CLUB

Booster Club is a College Rock Revival™ band from the Raleigh-Durham-Chapel Hill area. Just beneath the surface of energetic overdriven guitars and crashing cymbals are real songs laden with sing-a-long hooks and catchy melodies.

While Booster Club's influences quickly become apparent (The Replacements, Pixies, Pavement, et al), their music stands out as modern College Rock.

Being delivered with an authentic fervor fueled by death-anxiety and caffeine, Booster Club live performances deliver an authentic energy that is undeniable.

**-Joy of Violent Movement**

"Set Down" is a must-listen for rock enthusiasts who crave a nostalgic yet electrifying musical experience. With their undeniable talent and genre-defying approach, Booster Club is undoubtedly a force to be reckoned with in the rock scene.

**-Honk Magazine**

Booster Club's self-produced 3rd release, **YEAR OF THE DRAGGIN' (YOTD)** boasts an evolution of the band's sonic sensibilities while remaining true to college rock aesthetics that informed their style. Lyrically, the new record delves into deeper themes and yet remains specifically vague, concurrently wearing their heart on their sleeves without giving too much away.

Listeners can expect to hear innovative use of instruments and elements that bring a modern flair to their music: mellotron samples, 808 kick, and synthesizers adds depth and texture.

YOTD is available across various streaming platforms, including Spotify, Apple Music, and YouTube Music, ensuring that fans can easily access and enjoy their latest work. Booster Club's commitment to quality and innovation positions them as a standout act in the contemporary music scene, captivating both old fans and new listeners alike.
